4. THREE OBJECTIONS to settlement –

- A. Why should the lawyers ALWAYS get the majority of the money PLUS COSTS ?? 20% plus costs is sufficient for doing what LITTLE they did because –
  - B. BOTH the defendants and the LAWYERS should be penalized for taking OVER A YEAR to notify those affected by the breach when it should have been done within two months of the discovery. Instead, our financial identities were jeopardized and we STILL have to wait until court judgment authorizes credit monitoring. Free credit monitoring should have been offered within TWO MONTHS of the breach.
  - C. September 2024 was the FIRST effort by Superior Air-Ground Ambulance Service to notify me that there was a breach. AGAIN, why did it take them over a year for notification PLUS, unlike OTHER company breaches, they offered NO free credit monitoring at that time.
5. No additional documents being submitted.
  6. I will NOT appear at the Final Approval Hearing,
  7. I am NOT represented by my own lawyer.
  8. Your signature (a lawyer's signature is not sufficient).

THANK YOU.
